Free, fun activities for [National Numeracy Day](#) on Wednesday 22 May

[Insert MP name] is supporting charity National Numeracy in helping the nation feel great about numbers on Wednesday 22 May alongside celebrities including Money Saving Expert Martin Lewis, Strictly Come Dancing star Katya Jones and TV's Bobby Seagull.

[For adults](#), get involved in a nationwide conversation about numbers with the #BigNumberNatter and find out how to boost your confidence with maths for home and work.

[For children](#), there are tons of activities for children that help make maths fun by using dance, rapping, baking and more. Children at school or home can join in with 'National Numeracy Day Live' - a livestreamed event with Bobby Seagull, Katya Jones and some very special guest from West Ham United and Numberblocks. And the Number Heroes competition offers the chance to win one of six prize packs worth £1,000 each for their schools.

Find out more on the [National Numeracy Day website](#) or the charity's [Facebook](#), [X](#), [Instagram](#) or [YouTube](#).

Let's get number confident on National Numeracy Day, 22 May! If you'd like to start improving your number confidence and skills right away, try the charity's free [National Numeracy Challenge](#).

Newsletters / emails / website – shorter version

Join me in getting number confident on National Numeracy Day, 22 May! I am delighted to be supporting the UK's only annual day dedicated to everyday maths! Alongside the charity National Numeracy, I want to help children and adults feel confident about numbers at home, work and school. There are lots of free resources and celebrity fun on the website, from helping us get on at work, to supporting children with maths, or making our money go further. For more information go to www.nationalnumeracy.org.uk/numeracyday
